OMAHA PERFORMANCE

TESTED

SHOW & SALE

Ak-Sar-Ben Field, 72nd and Center

Show: 9:30 a.m.

Sale: 12:30 p.m.

Dear Friends:

This is the first performance tested consignment sale for the Shorthorn-Polled Shorthorn breed. While numbers aren't what we would like, we have to begin somewhere. The offering will contain some of our breed's best sire prospects from Nebraska, Minnesota, and Kentucky.

Please note that the performance figures between herds are not consistent. Different management and feeding practices would account for considerable differences between the gains and weights for one herd as compared to another. However, the figures listed should give every potential buyer added tools for his selection.

We urge you to attend this sale and select a herd sire with the added advantage of a performance background.

Bill Stunkel
Sale Manager

GENERAL INFORMATION

SHOW—Shorthorns and Polled Shorthorns will show together on February 6, beginning at 9:30 a.m. The sale will get underway at 12:30 p.m.

LOCATION—The show and sale will be held at Ak-Sar-Ben Field, Omaha. See inside front cover for a map giving the exact location.

TERMS—The terms of this sale are cash unless other arrangements have been made in advance with the owners and the sale manager notified. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

GUARANTEE—All cattle sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Breeders' Ass'n.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneer, ringmen, or sale manager have been employed for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the seller accept any liability for injuries that may occur. All persons attend this sale at their own risk.

ALL BULLS WEIGHED—All bulls will be weighed show day. These weights will be available to buyers. Weight-per-day-of-age figures will also be posted.

FOOTNOTES—Where footnotes appear, they have been furnished by the consignors. Announcements from the auction block take precedence over data in this catalog.

REGISTRATION CERTIFICATE—A certificate of registry will be furnished with each registered lot and will be transferred to the buyer without cost to him.

HEALTH—All cattle will be T.B. and Bang's tested. All cattle are guaranteed to comply with the health regulations of any state or country into which they may go. If there are exceptions, it will be announced from the auction block.

LUNCH—Will be available at the grounds.

AUCTIONEER—Dick Kane, Wisner, Nebraska.

SALE MANAGER—Bill Stunkel, No. 1 1228 North Nye, Fremont, Nebr. 68025.

STANDARD GUARANTEE

ENDORSED BY THE AMERICAN SHORTHORN ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such certificate is required by the seller.
6. All animals are sold to comply with the laws regulating tuberculosis and Bang's disease of the state or country into which they may be shipped.
7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

QUESTING'S WINSTON x — By the 2,400-lb. Red Willow Leader 2nd x out of one of the best cows at Questing Hills. His 205-day adjusted weight was 542 lbs. and he has continued to grow since that time. This bull, we feel, has the potential to add extra pounds. Thirty-five sons of Red Willow Leader 2nd have averaged 1,085 lbs. at 365 days. He will be semen tested.
